LAB OBSERVATION

EXPERIMENT-8

8) Create an infographic in Figma explaining the concept of Public Land Mobile Network (PLMN).

Answer)

Aim:

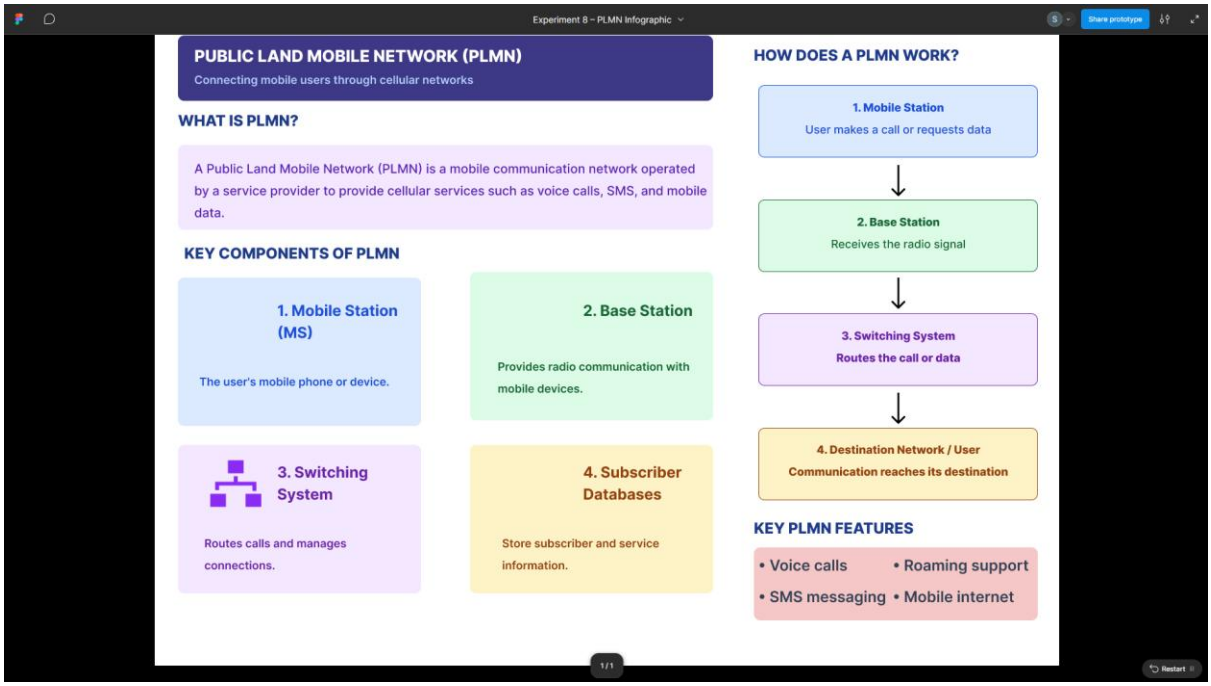

To create an infographic in Figma explaining the concept of a Public Land Mobile Network (PLMN).

Procedure:

1. Open Figma and create a new design file.
2. Select a suitable frame for the infographic.
3. Add the required content about PLMN, including its definition, components, working process, and key features.
4. Design visual elements using appropriate shapes, colors, icons, and text.
5. Add interactivity where required.
6. Include annotations and explanations for the components.
7. Incorporate multimedia elements where appropriate.
8. Create a storyboard animation if required.
9. Review and edit the prototype to improve its appearance and readability.
10. Save and share the completed design.

Output:

An infographic explaining the concept of Public Land Mobile Network (PLMN) was created successfully using Figma.

Result:

Hence, an infographic explaining the concept of Public Land Mobile Network (PLMN) was successfully created using Figma.
